

ANNUAL PERMIT FOR UNIVERSITY SERVICES

This Annual Permit is issued by the Office of Building Official for the University of Utah to the Department listed below to repair, move, convert, replace, demolish, or upgrade any building component or electrical, gas, mechanical, or plumbing system regulated by the construction and fire codes adopted by the State of Utah. This Annual Permit is issued in accordance with Sections 104.10 and 105 of the 2012 International Building Code. This Annual Permit is issued for the year as noted for the specific work or discipline(s) listed below. A monthly record of all work conducted under this Permit must be made available to the Building Official. All work must be supervised by the designated Department Supervisor to comply with all code requirements. All work authorized by this Annual Permit is subject to review and inspection as deemed necessary by the Building Official. Any work not in compliance with these codes shall be corrected by the permit holder at the direction of the Building Official. It shall not be construed by the issuance of this Annual Permit that approval or authority to violate or cancel the provisions and requirements of the codes has been granted. The Building Official is authorized to prevent occupancy or use of a structure, building area, or system where work is found in violation of the codes. All alterations to an existing building or system shall obtain an Individual Permit from the Building Official.
