A. Inspections: Permit Holder is responsible for scheduling all code required inspections as required by 2018 IBC Section 110. Schedule Inspections 24 hours in advance with: Jay Fuller, University of Utah Construction Manager (801) 386-6973 or jay.fuller@utah.edu; Clint Haymond, University Fire Marshal (801) 585-9122 or Clint.Haymond@ehs.utah.edu. Special Inspections scheduled by Permit Holder & must include scheduling inspector for special inspections.

B. Suspension or Revocation: Under 105.6 of the IBC, the Building Official is authorized to suspend or revoke the permit issued hereunder whenever the permit is issued in error or on the basis of incorrect, inaccurate, or incomplete information, or in violation of applicable law or a provision of this Code.

C. Placement of permit site: Under 105.7 of the IBC, this permit or a copy thereof shall be kept on the site until the completion of the project.

D. Time Period: This permit becomes null and void if work or construction is not commenced within 90 days, or abandoned for a period of 90 days at any time after the work is commenced. The Building Official is authorized to grant, in writing, one or more extensions of time, for periods of not more than 90 days each. The extension shall be requested in writing and justifiable cause demonstrated. The Permit Holder agrees with the conditions of this permit and that all work will comply with applicable code requirements.

E. A final Inspection: Must be approved by the Building Official prior to occupancy of space or usage of equipment as required by IBC section 111.

F. Plans: Plans may be required as determined by Building Official for Quick Permits. Work which alters the floor plan shall obtain an Individual Permit.
